

A one-day event for GIRLS in grades 6 to 10 to learn about careers in science, technology, engineering, and math, and to experience how fun they can be.

SAVE THE DATE!

The day will include:

- Workshops taught by women in science and technology fields!
- Discovering what it's like to be a chemist, engineer or veterinarian!
- Experiencing the fun of hands-on learning – design, build, measure, mix, launch, test, laugh and meet new friends!
